PYLADIES SG

-Lightning Talk-
PyCon SG Edu Summit 2023

HOW IT STARTED

- Originally Initiated by 'A'-Level Female Computing Students in 2014/5

- Some motivated female students continued in some years

- BACK AGAIN with JC / Poly / Uni students

WHAT ARE WE DOING

- Ran Intro to Python with Generative A.I. @ AMK NLB
- Resources available at:
- https://github.com/asrjc/pyladiessg/tree/main/introtopython

WHERE WE ARE GOING

'Intro to Flask' @Google Developer Space (tbc) Jul 2023

WHERE WE ARE GOING

- Run more Python workshops throughout the year

- Grow the community by learning and sharing about Python

HOW YOU CAN HELP

- Encourage more female students to participate in our activities / join PyLadiesSG

- Sign up as an Organiser

- Mentor passionate students
